

Parkinson's Speech Therapy Clinics For MPDA Members

A collaborative work between

Dear Members,

We are pleased to announce that **FREE** Speech Therapy Clinics will be conducted by three 4th year students undergoing clinical placements under the supervision of Dr. Shobha Sharma, Senior Lecturer & Speech-Language Pathologist, School of Rehabilitation Sciences, Faculty of Health Sciences, UKM. The details are:-

Time : **Every Thursday from 9.00 am to 4.00 pm**
Commencement Date : **19th September 2013**
Completion Date : **February 2014 (10 weeks with breaks)**
Venue : **MPDA Parkinson's Center**
No. 35, Jalan Nyaman 10
Happy Garden, Old Klang Road,
58200 Kuala Lumpur.

The Speech Therapy Clinics are designed to help members with Parkinson's to improve communication effectiveness, vocal intensity and speech intelligibility.

Participants will be assessed individually during their first visit followed by further individual or group therapy sessions if necessary. Each session could last between 45 min – 1 hour.

Participation is on a first come first serve basis. Please register early with Mr. Looi at 03-79806685 (Tues – Saturday)/ 017- 8871859 or Mr. Gene Lim at 012-3928118 before 15th September 2013. Once registered, we will revert to you on your first appointment date and time.

Thank you.

Warm regards,

Sara Lew (President)
